Dear Mike

My wife and I would like to express our sincere thanks for all your help with our move last week. We were particularly impressed by the professionalism, efficiency and, not least, patience shown by John, Alan and yourself.

If this letter is read by any potential customer, I would have no hesitation in recommending Lindways – money well spent.

Yours sincerely

Dear Lindways,

Firstly apologies for not writing to thank you earlier, as you probably appreciate moving house is a very time-consuming business!

We wanted to acknowledge what an amazing team you have working for you and to say a heartfelt thank you for the way in which Lindways went 'above and beyond' the duty of care we had paid for.

The various trials and tribulations on the actual move day were made far easier to handle, due to the professionalism, good-humour and care provided by you all. We would find it hard to believe that any other removal firm would stay on so late into the evening, or wait so patiently during the morning, whilst things were being resolved.

We cannot recommend more highly your company to other people needing a reliable, honest and fair service, you really did make a very challenging day far more easy to bare!

Many thanks again for your hardwork

To all at Lindways,

This note is to thank you for all your hard work on our house move. As you know, this was the second time we used your services and we were not disappointed. Mick, Alan and Lindsey were as hard working as ever - nothing was too much trouble. Their friendly, positive attitude made them a pleasure to have around at what is otherwise quite a stressful time. They even went that extra mile by letting our 5 year old daughter help with the fetching and carrying and keeping an eye on her for us.

We would not hesitate to recommend Lindways to future potential customers and wish you all the best for the future.

Kind regards

Colin & Virginia Green

Dear Everyone at Lindways,

Just a note to say many, many thanks for our recent move and the great help you all were. We've now got everything out of the boxes and are starting to get settled in. Which we couldn't have done without you!

You created a great atmosphere with your jolly outlook, and considering the difficult access from the old house to the new, your professionalism was outstanding. Making you all cups of tea was the least we could have done. You really made us feel that all our boxes, furniture and plant pots would make it in one piece.

We would have no problem in recommending you. We certainly made the right choice when we chose Lindways to remove us!

Thanks again

Andy & Michele
